“Newspaper is a greater treasure to the people than uncounted millions of gold.”

Dear Parents,

Jai Hind!

In line with the NEP's emphasis on holistic development and fostering a reading culture, Indirapuram Public School, Crossings Republik, encourages all of its students to inculcate the habit of reading newspapers. This practice will assist in creating dialect capacities, critical thinking skills, and mindfulness of different perspectives to keep you up to date on current events.

As per the NCF's recommendation for advancing dynamic learning, the school believes in integrating curriculum of all subjects with the newspaper. Henceforth, broadening the students' knowledge horizons, and nurturing a well-rounded personality.

This initiative will also cater to the following skill development:

- ✦ Creative Writing
- ✦ Media Literacy
- ✦ Interviewing Skills
- ✦ Critical Evaluation
- ✦ News Presentation

Furthermore, the school has decided to customize the **Newspaper Subscription** as per the age group of the students as follows:

Classes: III- V - Hindustan Times
Classes: VI-VIII - Times Of India
Classes: IX -XII - The Hindu

Kindly note:- Amount Payable is Rs. 400/- for the subscription for 133 days.
